Position Title: PYP Homeroom Teacher (Upper Primary)

Start Date: As soon as possible

General Description

KIS International School is currently looking for an enthusiastic, qualified and experienced Primary school teacher to join our community and work collaboratively in a PYP teaching environment. Due to the need to fill this position and the current Covid situation we are looking for applicants currently residing in Bangkok or Thailand.

Requirements

- Primary Teaching Qualifications to degree level minimum (BEd.)
- Proficient English Speaker
- Experience with programme planning, authentic assessment and curriculum development
- Interest and experiences with cultural diversity
- Strengths in team teaching, implementation and collaborative planning
- Involvement in curriculum, program, and whole school development
- Willing KIS School Community Participant
- Professional Attitude
- Ability to live overseas and experience different cultures
- ManageBac experience an asset
- Experience with the International Baccalaureate Primary Years Programme (IB PYP) is an asset but not essential

Contact Information

If interested please email CV and photo to June van den Bos, Primary Principal, KIS International School as soon as possible at june.va@kis.ac.th and recruitment@kis.ac.th.

Positions will be removed when filled.

As an International CIS accredited IB world school we have aligned ourselves with the recommendations of the International Task Force on Child Protection, we hold ourselves to a high standard of effective recruiting practices with specific attention to child protection.
